

PROGRAM of INQUIRY (2020-21)

	Who We Are	How We Express Ourselves	How the World works	Sharing the Planet
	An inquiry into the nature of the self; beliefs and values; personal, physical, mental, social and spiritual health; human relationships including families, friends, communities and cultures; rights and responsibilities; what it means to be human.	An inquiry into the ways in which we discover and express ideas, feelings, nature, culture, beliefs and values; the ways in which we reflect on, extend and enjoy our creativity; our appreciation of the aesthetic.	An inquiry into the natural world and its laws; the interaction between the natural world (physical and biological) and human societies; how humans use their understanding of scientific principles; the impact of scientific and technological advances on society and on the environment.	An inquiry into rights and responsibilities in the struggle to share finite resources with other people and with other living things; communities and the relationships within and between them; access to equal opportunities; peace and conflict resolution.
PreK-2	<p>Central Idea:</p> <p>Every day I learn more about who I am and what I can do</p>	<p>Central Idea:</p> <p>Nursery Rhymes and Stories of different forms</p>	<p>Central Idea:</p> <p>Modes of transportation and how they serve us</p>	<p>Central Idea:</p> <p>Living things around us are amazing</p>
